

Indy Kids Sale High Demand VIP Tagging Service

Indy Kids Sale High Demand VIP Tagging Service is for those families with boutique/high-end and high demand items. We are here to take all of the work out of the selling process. All you have to do is gather your best items and then we will pick them up (if you are further than 10 miles, your tagger will meet you in the middle) and take care of the rest!! So easy!!

Pick your best items and we will take it from there!

- Indy Kids Sale High Demand VIP Service accepts current (purchased within the last three years) high-end, seasonal clothing that is 12 months through size 10 as well as baby gear/items and toys.
- Anything that isn't acceptable and doesn't sell will be donated. Please double check your items before the tagger picks them up to make sure they are clean, free of stains, holes or too much wear.
- Include batteries for anything that requires batteries to work.
- You only need a minimum of 50 items to participate at a High Demand VIP seller and there is a max of 200 items.
- Here is a link to the [High Demand Accepted Clothing Brand List](#) and the [High Demand Accepted Item List](#)
- Please see the bottom of the "[what's accepted](#)" page on our website for a full list of items not accepted at Indy Kids Sale.

- \$15 seller fee – this non-refundable fee will be paid via paypal to reserve your spot.
- \$20 supply fee - This fee is paid up front via paypal and is non-refundable. This fee goes directly to your tagger to help cover their cost of hangers, pins, paper, ink, tape, etc.
- High Demand VIP sellers receive 35% of the selling price (set by the tagger) of their items.

Early Access Shopping:

- High Demand VIP sellers will receive two passes to shop at 2pm on the early access seller shopping day.

More Questions:

- Please email me at info@IndyKidsSale.com and I'd be happy to answer any question you have.

Ready to reclaim your home?

Let us help you do that! Fill out this [google form](#) and we will get everything going for you. At the end of the google form, you will find a link to pay the seller fee and supply fee via paypal. Please don't miss this step, it's very important. Once the form AND payment are submitted, you will be registered and a spot will be held for you. Don't wait, spots will fill up!

*Please Note: this is not a goodwill service. Taggers are spending their time to price and tag your items. It is not their job to go through your items to find what's acceptable. Please inspect your items before your tagger picks them up. We understand that sometimes things are missed (we've all missed things while tagging). There will be a \$1 fee for each unaccepted item (after five items). This fee will be taken from your final payment.
